Article 6. Motion made by Charles Buttrick and seconded by Mr. Hartley and amended by Mary Pelletier and seconded by Mr. deWinter and voted in the affirmative as amended to authorize the Selectmen and Town Treasurer to borrow money in anticipation of taxes including the issuance of tax lien redemption notes pursuant to RSA 33:7-D.

Article 7. Motion made by Mr. Hartley and seconded by Mrs. Pelletier and voted in the affirmative to give the Selectmen full discretion to dispose of real property which has been acquired by Tax Title as long as abutting land owners are notified of the sale.

Article 8. Motion made by Mr. Hartley and seconded by Mr. M. Buttrick and voted in the affirmative to authorize the Selectmen to accept and spend any State and/or Federal Funds that may become available to use by the Town.

Article 9. Motion made by Mr. Hartley and seconded by Mrs. Pelletier and voted in the affirmative to accept the Scenery Fund being held in the Monadnock Bank; such fund established in 1924.

Article 10. Motion made by Mr. Hartley and seconded by Greg Thibeau and voted in the affirmative to raise and appropriate a sum of money not to exceed Two thousand, three hundred, ninety-six dollars (\$2,396.00), Four hundred (\$400.00) of which to come from the Myrtle Marsh Village Improvement Fund, and One hundred twenty six and 25/100 dollars (\$126.25) plus interest to come from the Scenery Fund, for the purpose of creating a raised brick planter and accent brick paving in front of the Town Hall at the intersection of Chamberlin and Main Street.

Article 11. Motion made by Mr. Hartley and seconded by Mrs. Pelletier and voted in the affirmative to create a Capital Reserve Fund, expendable by the Board of Selectmen, for the purpose of maintaining and improving recreational activities: funds to be transferred from the Parks & Recreation Improvement Fund (Monadnock Bank Savings Account #100114111.)

Article 12. Motion made by Mr. Hartley and seconded by Mr. C. Buttrick and amended by Mr. M. Buttrick and voted in the affirmative as amended to vote to appropriate Four thousand dollars (\$4000.00) from the Highway Block Grant Aid, Eight Thousand dollars (\$8000.00) including interest thereon from the Lamarre Escrow Account, and Five thousand dollars (\$5000.00) from the Highway Sealing Account; and to raise and appropriate \$15,800.00 for the purpose of rebuilding 1,900 feet of Adams Hill Road, starting at the Rousseau Hill intersection and going east to approximately the hydrant by Lamarre Concrete driveway.

Article 13. Motion by Mr. C. Buttrick and seconded by Mr. Hartley and voted in the affirmative to appropriate the sum of Three thousand, five hundred dollars (\$3500.00) to rebuild sidewalks along the west side of Main Street, such sum to be withdrawn from the Sidewalk Reconstruction Capital Reserve Fund.

Article 14. Motion made by Mr. Hartley and seconded by Mr. M. Buttrick and voted in the affirmative to appropriate the sum of Three thousand, five hundred dollars (\$3500.00) to rebuild the sidewalk on the east side of Main Street, 50 feet north from the Chamberlin Street intersection, in front of the town hall, extending as a ramp on the northwest side of Chamberlin; and to rebuild the sidewalk on the bridge on Main street to the intersection and extending 75 feet on the southeast side of Chamberlin Street, such sum to be withdrawn from the Sidewalk Reconstruction Capital Reserve Fund.

Article 15 Motion made by David Bourgaault and seconded by Mr. Tuttle and voted in the affirmative to raise and appropriate the sum of Five thousand dollars (\$5,000) to purchase new pagers for the Fire Department.

Article 16. Motion made by David Bourgault and seconded by Mr. de Winter and voted in the affirmative to raise and appropriate the sum of Eight thousand eight hundred dollars (\$8,800) to purchase five new airpicks and five additional face masks for the Fire Department.

Article 17. Motion made by Mr. Hartley and seconded by Mr. deWinter and amended by Mr. deWinter and seconded by Mrs. Pelletier and voted as amended in the affirmative to close the Cruiser Reserve and to create an Expendable Cruiser Trust Fund and transfer all funds which were in the old reserve fund to the new trust fund, such funds to be expendable by the Board of Selectmen.

Article 18. Motion made by Mrs. Pelletier and seconded by Mr. Hartley and voted in the affirmative to appropriate the sum of Sixteen thousand dollars (\$16,000) to be taken from the Water Department in order to make repairs and improvements at the Water Treatment Plant to bring the plant into compliance with the Surface Water Treatment Rule.

Article 19. Motion made by Mr. M. Buttrick and seconded by Mrs. Pelletier and voted in the affirmative to transfer administration of Riverside Park from the Parks and Recreation Committee to the Conservation Commission.

Article 20. Motion made by Mr. deWinter and seconded by Mr. Tuttle and voted in the affirmative to raise and appropriate the sum not to exceed Twenty thousand dollars (\$20,000.00) to complete the bath house at the pool.

Article 21. Motion made by Mrs. Pelletier and seconded by Mr. deWinter and amended by Mrs. Pelletier and seconded by Mr. deWinter to raise and appropriate the sum of Eight thousand two hundred and five dollars (\$8205). After much discussion in the negative, Mrs. Pelletier withdrew the motion to amend and it was voted in the affirmative to raise and appropriate the sum of Three thousand five hundred dollars (\$3500) to meet the Americans with Disabilities Act (ADA) requirements in the Town Hall.

Article 22. Motion made by Mr. C. Buttrick and seconded by Mr. Hartley and amended by Mr. C. Buttrick and seconded by Mr. Hartley and voted as amended in the affirmative to establish a Capital Reserve Fund expendable by the Selectmen for the purpose of upgrading the town buildings to meet the ADA requirements and to raise and appropriate a Three thousand dollar (\$3000.00) payment into this fund.

Article 23. Motion made by Mr. deWinter and seconded by Mr. Tuttle and voted in the negative by a standing vote:

12 yes      23 no

to raise and appropriate the sum of Six hundred ninety-seven dollars(\$697.00) for the support of the Regional Family, Inc.

Article 24. Motion made by Mrs. Pelletier and seconded by Kathleen Valliere and voted in the affirmative to raise and appropriate the sum of Seven thousand five hundred dollars (\$7500.00) for computer hardware for the Tax Collector, Board of Selectmen, and Bookkeeping Department.

Article 25. Motion made by Mr. M. Buttrick and seconded by Mr. C. Buttrick and voted in the affirmative to pass over the article to raise and appropriate the sum of Fifteen hundred dollars (\$1500.00) to purchase and install an exterior book drop for the Chamberlin Public Library.

Article 26. Motion made by Mr. M. Buttrick and seconded by Mr. C. Buttrick and voted in the affirmative to pass over the article to raise and appropriate the sum of Five hundred dollars (\$500.00) payment into the Library Capital Reserve Fund for the purpose of replacing library equipment.

Article 27. Motion made by Mrs. Pelletier and seconded by Mr. deWinter and voted in the affirmative to establish a Community Channel Committee, consisting of five members, to be appointed by the Moderator, to operate and maintain the Community Channel.

Article 28. Motion made by Mrs. Pelletier and seconded by Mrs. Valliere and amended by Mrs. Pelletier and seconded by Mr. C. Buttrick and voted as amended to appropriate Five hundred dollars (\$500.00) for the Greenville Community Channel equipment, said sum to be taken from First Carolina Cable or its successor royalties deposited to the General Fund.

Meeting adjourned at 12:56 PM

Recommended by BOS

Article 8. To see if the Town will vote to accept the provisions of RSA 31:95-b authorizing indefinitely, until specific rescission of such authority, the selectmen to apply for, accept and expend, without further action by the town meeting, unanticipated money from a state, federal, or other governmental unit or a private source which becomes available during the fiscal year, or take any action thereon.

Recommended by BOS

Article 9. To see if the Town will vote to accept the provisions of RSA 202-A:4-c authorizing indefinitely, until specific rescission of such authority, the public library trustees to apply for, accept and expend, without further action by the town meeting, unanticipated money from a state, federal or other governmental unit, or a private source which becomes available during the fiscal year, or take any action thereon.

Recommended by BOS

Article 10. To see if the Town will vote to authorize the Board of Selectmen to accept, on behalf of the town, gifts, legacies, and devices made to the town in trust for any public purpose, as permitted by RSA 31:19, or take any action thereon.

Recommended by BOS

Article 11. To see if the Town will vote to create an Expendable Trust fund, expendable by the Board of Selectmen for the purpose of pool repairs and improvements, and to raise and appropriate the sum of \$10,000 (Ten Thousand dollars) as payment into this fund or take any action thereon.

Recommended by the BOS

Article 12. To see if the Town will vote to discontinue the existing Bridge Improvement Capital Reserve Fund, said funds with accumulated interest to be transferred to the Pool Repair and Improvement Expendable Trust fund, established March 12, 1994, or take any action thereon.

Recommended by BOS

Article 13. To see if the Town will vote to discontinue the re-evaluation Capital Reserve Fund, said fund with accumulated interest to be transferred to the Pool Repair and Improvement Expendable Trust fund, established March 12, 1994, or take any action thereon.

Recommended by BOS

Article 14. To see if the Town will vote to appropriate \$25,000.00 (Twenty-five thousand dollars) for the purchase of a new one ton 4-wheel drive truck with dump and power angle plow; \$15,000.00 (Fifteen thousand dollars) of such sum to be withdrawn from the Public Works Equipment fund, and to raise \$10,000.00, or take any action thereon.

Recommended by BOS

Article 15. To see if the Town will vote to appropriate \$20,000 (Twenty thousand dollars) from the State Highway Block Grant Aid; and to raise \$6,000.00 (Six thousand dollars) for the purpose of rebuilding 1900 feet of the north side of Livingston Road beginning at Route 31, or take any action thereon.

Recommended by BOS

Article 16. To see if the Town will vote to create an Expendable Trust Fund pursuant to RSA 31:19-a expendable by the Board of Selectmen for the purpose of maintaining fire ponds and to raise and appropriate the sum of \$5,000.00 (Five thousand dollars) as payment into this fund, or take any action thereon.

Recommended by BOS and Forest Fire Warden

Article 17. To see if the Town will vote to close the Sewer Equipment Fund and to create an Expendable Trust, pursuant to RSA 31:19-a, expendable by the Sewer Commissioners for the purpose of replacing and maintaining sewer equipment and transfer all funds which were in the old reserve fund to the new trust fund, or take any action thereon.

Recommended by Sewer Commissioners/BOS

Article 18. To see if the Town will vote to create a Capital Reserve Fund for the purpose of sewer expansion; \$10,000 (Ten thousand dollars) to be withdrawn from the Sewer account, or take any action thereon.

Recommended by Sewer Commissioners/BOS

Article 19. To see if the Town will vote to create a Capital Reserve Fund for the purpose of water system expansion; \$3,000 (Three thousand dollars) to be taken from the Water account, or take any action thereon.

Recommended by Water commissioners/BOS

Article 20. To see if the Town will vote to create an Expendable Trust Fund, pursuant to RSA 31:19-a, expendable by the Water Commissioners for the purpose of maintaining or replacing Water Department equipment; \$3,000 (Three thousand dollars) to be taken from the Water account, or take any action thereon.

Recommended by Water Commissioners/BOS

Article 21. To see if the Town will vote to authorize the Board of Selectmen to purchase surplus equipment up to \$5,000 (Five thousand dollars) per item; funding for such purchases will be from current operating budget or from expendable trusts for such equipment, or take any action thereon.

Recommended by BOS

Article 22. To see if the Town will vote to authorize the Selectmen to convey to the Conservation Commission property described as Lots 41 and 42 of Map 5 of the town tax map; said property having been acquired by the Town by Tax Collector deed, or take any action thereon.

Recommended by BOS

Article 23. To see if the Town will vote to appropriate \$500 (Five hundred dollars) for Greenville Community Channel equipment; said sum to be taken from First Carolina Cable or its successor's royalties deposited in the General Fund, or take any action thereon.

Recommended by BOS

Article 24. To see if the Town will vote to raise and appropriate a \$3,000 (Three thousand dollar) payment into the ADA Expendable Capital Reserve Fund, or take any action thereon.

Recommended by BOS

Article 25. To see if the Town will vote to raise and appropriate the sum of \$500 (Five hundred dollars) to the Milford Area Mediation Program, or take any action thereon.

Recommended by BOS

Article 26. To see if the town will vote to abolish the Library Capital Reserve Fund, or take any action thereon.

Recommended by Library Trustees and BOS

Article 27. To see if the Town will vote to establish a Library Capital Reserve Fund in accordance with RSA 35:1 for the acquisition of library equipment and to designate the Library Trustees as agents to expend the fund and to raise and appropriate the sum of \$517 (Five hundred seventeen dollars) to be placed in said capital reserve fund, or take any action thereon.

Recommended by Library Trustees & BOS

Article 28. To see if the Town will vote to raise and appropriate a sum not to exceed \$3,085 (Three thousand, eighty-five dollars), of which \$271 (Two hundred seventy-one dollars) will come from the Myrtle Marsh Village Improvement Fund, for the purpose of creating a green at the intersection of Chamberlin and Mill Streets, or take any action thereon.

By Petition      Recommended by BOS

Article 29. To see if the Town will vote to rebuild sidewalks according to standard construction practices; i.e., to install new vertical granite curbing on those sidewalks lacking curbing, and to excavate and reset the old granite curbing on the remaining sidewalks, or take any action thereon.

By Petition      Not recommended by BOS

Article 30. To transact any other business that may legally come before this meeting.

Given under our hands and seal this 12th day of February, in the year of our Lord Nineteen Hundred and Ninety-Four.

Theo de Winter, Chairman  
Mary Pelletier  
James A. Hartley

Selectmen of Greenville

## SELECTMEN'S NARRATIVE

During the year 1993, the Board of Selectmen was unable to avoid an increase in the property tax rate. The Board of Selectmen only has direct control over one of the three cost factors which determine the total amount of Greenville's annual budget. The Mascenic School District budget is determined by those registered voters present and voting at the annual School District meeting. The Hillsborough County assessment is presented to the Town of Greenville for payment. Selectmen can express their opinion during the County budget process, but have no other control over its annual budget. By law the Town of Greenville must pay its share of the County budget. Only the Greenville Town budget is prepared by the Board of Selectmen with the advice of the Finance Committee and presented to the annual Town Meeting for approval or modification by the voters present.

Last year the Town portion of the tax rate increased substantially due to a number of factors. The Greenville share of the Mascenic budget was increased. Hillsborough County presented a budget which was decreased slightly from 1991.

The Board of Selectmen takes this opportunity to thank the department heads and their personnel, whose cooperation was essential in keeping costs under control without curtailing services.

The Board of Selectmen viewed with concern the number of youth from Greenville and neighboring communities congregating at all hours in the downtown area. Three meetings were held to hear from the young people as well as from the tenants and property owners in the downtown area. The Board is willing to consider funding requests for constructive activities for Greenville's younger generation. To date no proposals or requests have been received. The Board of Selectmen would welcome any suggestions for activities for the young people.

## SELECTMEN'S NARRATIVE (Continued)

In the course of 1993 a committee was established by the member towns in the Monadnock Communications Center to study alternatives to membership in the Center and to make recommendations to the Boards of Selectmen of the individuals towns. The committee was chaired by Greenville's Chief of Police, David Benedict. the committee recommended that the member towns establish a municipal organization to operate a communications center. The study showed that the member towns could expect improved service at a saving in annual operating costs. No consensus was achieved among the member towns to proceed with the necessary engineering study for preliminary planning. A more detailed cost study will be examined in 1994.

The Town of Greenville hosted a conference on security for municipal employees. All selectmen, municipal employees and local law enforcement officers in New Hampshire were invited. The conference which was well attended, was held at Mascenic High School on the morning of Saturday, December 11, 1993. Key New Hampshire State Police, County and local law enforcement officers made presentations at the conference.

The Board of Selectmen regretfully accepted a number of resignations during the year. Mel Tuttle resigned as Selectman in October 1993; and the Board is grateful that James Hartley accepted an appointment to fill the remainder of the second year of his term. Steve Duval resigned as Police Officer to accept a position in New Ipswich. We welcome Vint Boggis, appointed as his replacement. The Board of Selectmen takes this opportunity to thank all the resignees for their service to the Town of Greenville and to wish them success in their new positions.

In the course of the year, with the cooperation of the department heads, the Board of Selectmen continued to review and revise personnel policies for the Town of Greenville.

## SELECTMEN'S NARRATIVE (Continued)

The Board of Selectmen takes this opportunity to thank the many Greenville residents who have given generously of their own time to serve on boards and committees and wants especially to single out the Parks and Recreation Committee members for their work on the new pool house, and the Village Green Committee for its work on the village green and Riverside Park.

Last but not least, the Board of Selectmen thanks all Greenville voters who cast their ballots in Town elections, attend the Annual Town Meeting to vote on the Greenville budget and warrant articles, and those who attend the Annual Mascenic School District Meeting in order to vote on a responsible budget and other matters that come before the voters.

TREASURER'S REPORT  
1993

Your Town Treasurer had a routine year when dealing with the various cash accounts. Points of interest are as follows:

All accounts are now with the CFX Bank.

This year the town borrowed funds in a new way. We were able to secure a two year loan for \$500,000 with the Unredeemed taxes as collateral. Funds now collected from outstanding 1991 and 1992 property taxes are now deposited into a special account at CFX.

There was considerable debate about raising the water rates. I believed that a 10% increase in water rates and a 10% decrease in sewage rates would have been appropriate. My year end figures now show an increase of \$15,000 in sewage cash and a decrease of \$15,000 in water cash. This shows a complete years' funding in the Sewage Department. If only the General Fund were so well off!

Greenville traditionally has a small tax base with some of the highest taxes in the State of New Hampshire. Our current cash flow is adequate but a few problems do concern me. The Town continues to tax two large properties which are delinquent. Finding an owner for such properties who can pay the annual property tax bills is essential. Once an outstanding tax bill becomes greater than the current value of a property then the town may have to negotiate (preferably by auction) a new owner and may take a considerable loss against taxes due. This loss would give us a one time charge against our tax rate (everyone would have to pay). Timely action could cut our losses. Because of the dramatic drop in real estate values the tax collector has had to deal with many cases of issuing tax deeds, something unheard of for several decades. The selectmen have dealt effectively with these problems, but I do fear that there are two or three properties that still need serious attention.

## TREASURER'S REPORT (CONTINUED)

I would be happy to explain my office functions and duties to any interested resident.

Respectfully submitted,  
Richard S. Eaton  
Town Treasurer

GREENVILLE POLICE DEPARTMENT  
1993 REPORT

This is my fourth year of service to the community. I was asked the other day, if I had it to do over again would I still take the job? Without exception, this has been the best place I have worked. The community, selectmen, and neighboring police agencies have been both cooperative and understanding. In addition my staff is as dedicated and hard working as any around. They deserve most of the credit for the success we have had as a department. Yes, if offered I would take the job again without hesitation.

For the first time, we as a community were confronted with "gang" related activity. There were a number of problems, including the burning of a car, young people confronting each other with weapons, and people outside the community attempting to establish themselves. Our ability to contain this problem as well as arrest those responsible for the arson and other crimes, was a direct result of community involvement. If parents as well as young people had not made the effort to get involved and had not come forward with information, we would not have been nearly as successful.

This was also the year we were exposed to guns in the school. The threat of violence has increased for young people in our community. Although several juveniles were arrested and convicted, the potential for this to happen again is great. I do not have an easy solution; however, every parent needs to be aware and alert for signs of involvement by their children or those their children associate with.

The department was pleased to present, with the cooperation of the library, a safety program for women. I was very happy with the number of people who showed interest. I want to publicly thank Mrs. Tuttle for her support of this project.

## GREENVILLE POLICE DEPARTMENT REPORT (Continued)

The activity of the department increased from about 2,400 calls for service in 1992 to over 3,0000 in 1993. People seem to be much more willing to call than they have in the past. I am very happy with this trend and hope it continues. Below is a sample of some of our activity:

AUTO THEFTS	5
THEFTS	93
SEXUAL ASSAULTS/RAPE	6
ASSAULTS	65
BURGLARY	32
HARASSMENT	36
INDECENT EXPOSURE	1
LITTERING	3
TRESPASS	17
DRUGS	10
DOMESTIC COMPLAINTS	103
DISTURBANCE COMPLAINTS	142
DISORDERLY/INTOXICATED PERSONS	32
SUSPICIOUS PERSONS/VEHICLES	160

This has been a year of change for both the Town and the Police Department. We were confronted with problems which most people tend to associate with major metropolitan areas. It is my opinion that if we continue to build a solid partnership between us, we can reduce the impact of these forces upon us.

Again, thank you for your support and cooperation.

David Benedict  
Chief of Police

CHAMBERLIN FREE PUBLIC LIBRARY  
1993 REPORT

The Chamberlin Library continued making books, magazines, video tapes, and books on tape available to all town residents with a library card this year. In addition, we have offered a variety of interesting public programs, school programs, and museum passes. The budget increase was minimal this year, and the proposed increase will again be minimal this year, in spite of numerous setbacks.

This year the library installed a new copier and FAX machine, which are made available to patrons at low fees. New shelving ordered in the previous year was installed, and the library is in the process of correcting and updating its holdings and cardholder lists.

Problems faced by the library included the theft of its sign from the wall of the town hall, water discoloration, a leaky roof which damaged the historic metal roof of the reading room, and structural damage in the basement which caused the handicapped-accessible toilet to tilt and recede. The problem with the most serious long-term implications was the loss (through no fault of its own) of the library's affiliation with GMILCS, the library consortium that has provided much of the interlibrary loan service for many years. Interlibrary loan is still available, but it is slower and less reliable as a result of the change. The State Library, in providing an alternative to the lost services, is setting standards which increase the amount of costly on-line time the local library must pay for.

The library is facing an acute shortage of shelf space and storage space for books and other media. The Trustees are looking into options for added offsite storage and for additional shelving that will meet standards. As it stands, the library "weeds" (i.e. throws out, gives away or sells at a loss) many books and other materials that are still useful and in good shape.

Safety and security concerns have occupied a good deal of the library staff's and the trustees' time this year.

Fundraising, including participation in the Mascenic Boosters' Cow Chip Polka Fair, brought in \$238.

CHAMBERLIN FREE PUBLIC LIBRARY REPORT - 1993 (Cont.)

The library wishes to thank the many town residents and others who have given of their time and talents to provide programming and services for children and adults. Without your help, there could be no programming. We look forward to your assistance and participation in the coming year.

Respectfully submitted,

Chamberlin Free Public Library  
Board of Trustees

## ROAD AGENT'S REPORT

1993

The 1993 year was highlighted with the completion of the Main Street sidewalk reconstruction project. To turn an idea into a reality takes a lot of time, planning, and coordination. I wish to thank all who helped in any way on this project over the past two years.

The department also assisted the Parks and Recreation Committee and the Mascenic Builders in the construction of the new bath house and installation of the filter system this past year.

We were able to rebuild and resurface the part of Adams Hill Road between the Rousseau Hill intersection and Lamarre Concrete's driveway. It is my hope if we do a little bit of this type of road work around town every year that slowly our road system will improve.

This Fall we worked with Public Service brush crews removing a lot of roadside brush and undergrowth. This is very beneficial as it allows more sun light to reach the road surface to melt snow and ice and also dries off the road surfaces more rapidly.

I would like to thank the Board of Selectmen, other departments, my crew and staff, and the taxpayer/citizens for the help, support and understanding extended to this Department this year.

Respectfully submitted,

Charles Buttrick  
Road Agent

GREENVILLE MUNICIPAL COURT  
1993 - REPORT

ROBERT TAFT  
JUSTICE

JANICE BLEASE  
CLERK

January 1, 1994

Board of Selectmen  
Town of Greenville  
Greenville, NH 03048

Re: Greenville Municipal Court 1993

Gentlemen;

In 1993 the Greenville Municipal court heard a total of Five Hundred and Fourteen (514) cases. Four Hundred and Ninety-Three (493) were Criminal Complaints and Twenty-One (21) were Civil cases.

The Criminal complaints were as follows:

Motor Vehicle Complaints	306
DWI 1 St.	3
Misdemeanors	82
Felonies	4
Other Violations	87
Driving After Revocation	11
Small Claims	<u>21</u>
	514

Fines from Town Ordinances collected and turned over to the Town of Greenville, NH: \$1,786.00

Very Truly yours,

Robert Taft  
Justice

REPORT OF TOWN FOREST FIRE WARDEN  
AND  
STATE FOREST RANGER

During Calendar Year 1993, the State of New Hampshire experienced an average number of wildfires. The three leading causes of these wildfires were campfires left unattended, unsupervised children and debris fires that escaped control. All of these fires are preventable, but ONLY with your help!

Please help your town and state forest fire officials with forest fire prevention. New Hampshire State Law (RSA 224:27 II) requires that, "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material in the open, except when the ground is covered with snow, without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done."

Violations of RSA 224:27 II and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$1000 and/or a year in jail and you are also liable for all fire suppression costs.

The State of New Hampshire, Division of Forests and Lands assisted many towns in wildland fire suppression during 1993 and participated in many fire prevention programs. This year, the nation is celebrating Smokey Bear's 50th anniversary. The State of New Hampshire Forest Protection Bureau will be working with many communities to spread the fire prevention message - "Remember...Only YOU can prevent forest fires. Fire prevention is the most cost effective fire suppression tool. Please be careful around fires and help us and our communities have a fire safe year.

Forest Fire Statistics 1993

PARKS & RECREATION COMMITTEE  
1993 Town Report

The highlight of the 1993 season was the new poolhouse. It added to the enjoyment of the Town of Greenville swimmers. As always, the pool was used extensively for swimming lessons, swim team, adult water aerobics, and refreshing swim time for the general public. In addition, Laurie Schlotman taught some synchronized swimming basics, and we hope to have her do that again this summer.

Thanks to the staff for another smooth year.

Jason Gauvin, Pool Director  
Nathalie Godbout, Guard and Instructor  
Meredith Lizotte, Guard and Instructor  
Matt LaRosee, Guard  
Marcel Lizotte, Guard  
Joshua Kivela, Guard  
Jennifer Shannon, Water Aerobics Instructor

During the summer, it became evident that the pool was showing severe signs of age. We struggled with water loss for much of the season. After closing we hired Southern New Hampshire Pools to pressure test all our lines. Due to the age and life expectancy of our pool, it was not too surprising to find that all of the lines in the pool were leaking. This type of pool is built by pouring the concrete shell right around the plumbing. After over twenty-five years of use, the pool plumbing needs to be replaced. The pool shell is in good shape, so, rather than buy a new pool, we have recommended that new lines be installed around the pool. Please note that the poolhouse plumbing and the new filter system received an excellent review from Southern New Hampshire Pools, so they will not need to be touched.

We hope to be able to provide many more years of water recreation to Greenville after these problems are corrected.

Respectfully submitted:  
Parks & Recreation Committee

FINANCE COMMITTEE REPORT  
1993

The initial meeting of the Finance Committee was an organizational meeting. The Committee decided not to have a chairperson, but everyone on the Committee would have equal say and equal responsibility.

The Committee members were as follows:

Nelson Pelletier  
Bud Morgan  
Anne McInnis  
Jim Branch  
Mel Tuttle (resigned) Working Selectman  
James A. Hartley (succeeded as Selectman)

Initially, we put together a schedule which covered the entire program of the Finance Committee. With few exceptions, this schedule was followed throughout. The Finance Committee meetings were held in the Court Room on Thursday or Friday nights at 7:30 p.m.

Having a working selectman on the Committee was much appreciated because we had an interchange of thoughts, problems, etc. This was a good procedural management part of our overall program.

The objective of the Finance Committee was level funding of submitted budgets from Department Heads. This goal was followed except for a couple of unforeseen obstacles. We appreciated very much the cooperation of the Department Heads and would like to assure the taxpayers that the Town of Greenville is in good hands.

We would like to take this opportunity to remind the taxpayers that our meetings are open to the public. We would appreciate your attendance and would like input from you on relevant subjects.

In closing we would like to say this was a gratifying learning experience, and we are happy to be able to help.

Respectfully submitted,  
The Finance Committee

COMMUNITY CHANNEL COMMITTEE REPORT  
1993

The Community Channel Committee has met regularly since October. Kathy Valliere was elected Chairman, Mary Pelletier, Secretary, Gina Ypya, Programmer, Bernie Robida and David Benedict, Camera and Equipment. Mel Tuttle resigned and no replacement has been named.

We have purchased a new 4 head Emerson VCR, a microphone, a new camera, and video cassettes as needed.

Selectmen's meetings have been televised live since mid-summer. Every other Thursday at 7:00 p.m. a special event has been presented -- Mascenic Concert, Boynton School Concert, Elementary School Christmas Concert, Holiday Views of Greenville, the 1992 Spring Pops Concert, Temple Band Concert, Safety for Women (program given by the Police Department at the Chamberlin Library), and the Water Rate Hearing.

The Committee met with Bob Snowden, President of First Carolina Cable Company and his chief technician. Much information was received -- where to buy equipment, where to get help setting up the Cubbyhole, etc.

Greenville Community Channel 3 is now called The Cubbyhole. Your comments and/or criticisms are welcome and needed. We feel The Cubbyhole Channel has great potential in disseminating information and entertainment to the community.

Respectfully submitted,

Mary E. Pelletier, Secretary

GREENVILLE CONSERVATION COMMISSION  
1993 REPORT

The Conservation Commission met seven times in 1993 (on the first or second Wednesday of the month) to monitor local Wetland's Board concerns and to consider local land conservation, water quality, and waste and dumping issues.

In March the voters of Greenville transferred administration of Riverside Park to the Conservation Commission. We chose to let this tract of land adjoining Greenville, on the Souhegan, lie undisturbed this year.

Laurie Schlotman resigned in September to devote more of her time to other interests. Grant Marley, who has given bird walks and talks locally, joined us in October.

Members continue to participate in Souhegan River water quality testing projects. We hope to soon have data and analyses which will give a better understanding of the relative purity of our river.

In the coming year we plan to continue work in these areas and in conservation and environmental education. We would also like to generate interest in a future townwide roadside tree planting.

Respectfully submitted,

Marshall Buttrick  
Joan MacPhee  
Grant Marley  
Jamie Taft, Alternate

## AMERICANS WITH DISABILITIES ACT COMMITTEE REPORT

The Americans with Disabilities Act (ADA), which was passed by Congress, makes a number of mandates on all public agencies. As discussed last year, the Act under Title Two requires government bodies to have program accessibility for those with physical limitations. Major areas of concern the ADA addresses are, hearing, vision, and mobility limitations. Municipalities are required to develop solutions as expeditiously as possible. The law requires they must be done by January 26, 1995.

One of the Town's requirements under ADA is to conduct surveys on compliance. These were conducted for each department by the respective department heads. The surveys identified areas which could be of concern under the Act. Some deficiencies have been taken care of, others will require future expenditures. As part of this process, the Board of Selectmen indicated that all new construction, as well as modifications in current construction on town owned or used property, will meet ADA standards. This includes sidewalks as well as buildings.

Unfortunately, the town hall which was built in the 1930's, does not meet current use standards under ADA. As a result, Selectmen have been forced to severely restrict the use of the auditorium. Over the last year the federal government has taken a more aggressive role in enforcement. Several municipal agencies have been taken to task for their lack of program accessibility as a result of building design. Unfortunately the result is that the Town must maintain a strong defensive position on the use of the third floor. The good news is that the courtroom, police station, library, and administrative offices have met or are very close to meeting ADA requirements. The remaining problem areas have been identified and, as funds become available, they will be addressed.

The committee will continue to work to assure compliance with the least expense possible. Please advise us of any suggestions or comments you may have.

## VILLAGE IMPROVEMENT

One might ask why we should fund municipal projects which at first seem merely aesthetic. What payback do we get from these kinds of investments? Couldn't the money be better spent elsewhere?

Without minimizing the many very important ways we already spend out tax dollars, how we maintain and develop our community says much about who we are as a people. Visitors to our town will judge us first by the appearance of our homes, streets and municipal buildings. Lack of attention to these areas creates an initial negative impression. If we would like to keep our existing businesses and attract new ones, revitalize our Main Street shopping and business district and encourage responsible families and individuals to settle in our town, it is important to show that we care for our community.

Village improvement is one of the ways that we can begin to reverse the cycle of decline that began two decades ago. We have already begun to see positive changes in the last few years on many fronts. Recently, many private homes have been landscaped and painted, the Cafe By The Green has been tastefully remodeled, an attractive new pool house has been constructed, Oil Recovery Systems has been landscaped and Riverside Apartments at Ashton Court has been refurbished and beautifully landscaped, making it a first class apartment house.

The two village improvement Warrant Articles proposed for the 1994 Town Meeting are meant to build on the progress we have already achieved as a community. The green at the intersection of Mill and Chamberlin Streets will complement the beautifully maintained private properties in the neighborhood, the landscaped grounds at Oil Recovery Systems and the handsomely renovated Riverside Apartments. The Raymond Pelletier family has generously volunteered to maintain the green. The granite curbed island will add a finishing touch to an already attractive corner of town with a scenic view of the river and historic mill buildings.

## VILLAGE IMPROVEMENT (Continued)

The second Warrant Article relating to sidewalks is meant to provide a high quality capital improvement to the Town's infrastructure. Granite curbing provides a durable sidewalk reinforcement which resists snow plow and motor vehicle damage and remains attractive for generations. It further provides a neat, orderly border to both the street and adjoining private and business properties.

In the last few years, we have noticed an increase in the number of homeowners and businesses that sweep the sidewalks and streets near their properties in warm weather and remove the snow from them during the winter months. We hope a nicely built sidewalk will encourage more property owners to follow the example of their neighbors in keeping the town clean. To those who say it is the town's responsibility to maintain our streets, let us not forget that we, as individuals, are the town. It is a small chore for each resident to regularly sweep the walkway in front of his or her property, it frees the Highway Department for projects which we cannot do as individuals and it gives the participants a sense of satisfaction and community spirit from having contributed in this small way.

We wish to thank all of those who have devoted time and money towards village improvement in the last year and hope that you will support further work in 1994.

THE SOUHEGAN VALLEY AMBULANCE SERVICE, INC.

ANNUAL REPORT TO TOWNS

1993

The year 1993 has been extremely busy for Souhegan Valley Ambulance Service. With an increase of 17.5% in call volume the service has averaged more than one call for every day of the year with a total call volume of 431.

As always, the attendants have spent many hours attending continuing education programs both at our location and at conferences outside the area. The total man-hours spent by the attendants attending our own, in house, training sessions for 1993 was over 450. This does not include EMT or CPR refresher courses, both of which are requirements for EMT recertification. In addition to this the attendants have volunteered well over 2500 manhours involved in calls made.

Over 90% of our present attendants are EMT's, we have six attendants functioning at the EMT-Intermediate level and one more attendant has completed the EMT-Intermediate training and is awaiting results of the National Registry exams. We also have nine attendants who are trained in the use of the Esophageal Obturator Airway. Four attendants have completed the American Heart Association CPR instructor program and three more are in the process of completing the program. We hope to soon be able to offer CPR training for citizens in the communities that Souhegan Valley Ambulance services.

This year the patient compartment of our oldest ambulance was overhauled and placed on a new Ford chassis. Both of our patient units are now over 20 years old (the chassis for each vehicle has been replaced every 10 years) and our next rotation will probably require replacement of the entire vehicle (chassis and patient compartment).

## THE SOUHEGAN VALLEY AMBULANCE SERVICE, INC. (Cont.)

Much effort continued through 1993 by the attendants and Board of Directors both raising funds for and working on completion of our new building. We are very fortunate that the Mascenic Youth Summer Employment program provided many hours of labor during the summer doing both finishing work inside and labor intensive landscape work.

During 1993 the Mason Board of Selectmen announced their decision to change ambulance service from Souhegan Valley Ambulance to Brookline Ambulance. This change took place on December 31, 1993 with the option that Mason could choose to contract service from Souhegan Valley Ambulance after town meeting in March 1994.

With Mason's planned departure the remaining towns of Greenville, New Ipswich, and Temple are being asked for an increase to cover the operating budget of the Service. If Mason should decide in March to again contract with Souhegan Valley Ambulance for service, the money received from Mason would be apportioned to the other towns accordingly.

Souhegan Valley Ambulance Service's budget for 1994 shows an overall increase of \$3,650.00, but the Service has returned \$4,000.00 of money raised by donations and fund raisers to be used to reduce the cost to the towns.

The Service is always seeking new volunteers who can commit time as attendants. We have a special need for attendants who are available during the daytime.

We wish to thank the many people and businesses who have shown their support, both moral and monetary, over the past years. We hope that our new building will finally be completed by the Spring of 1994 at which time we plan to hold an open house so that everyone can see the results of what has been a true community project.

Respectfully submitted,

David Dow, Chairman  
Board of Directors

HOME HEALTH CARE AND COMMUNITY SERVICES, INC.  
 REPORT TO THE TOWN OF GREENVILLE  
 JANUARY 1, 1993 - DECEMBER 31, 1993

ANNUAL REPORT

In 1993, Home Health Care and Community Services (HCS) continued to provide home care and community services to the residents of Greenville. The following information represents a projection of HCS's activities in your community in 1993. The projection is based on actual services provided from January through September 1993 and an estimate of usage during October, November and December.

SERVICE REPORT

<u>SERVICES OFFERED</u>	<u>SERVICES PROVIDED</u>	<u>SERVICES SUPPORTED PARTIALLY OR TOTALLY BY THE TOWN</u>
Nursing	555 Visits	10 Visits Child
Child Health Nursing	2 Visits	2 Visits
Physical Therapy	71 Visits	3 Visits
Speech Pathology	8 Visits	0 Visits
Occupational Therapy	4 Visits	0 Visits
Medical Social Work	17 Visits	2 Visits
Outreach	36 Visits	0 Visits
Nutritionist	2 Visits	2 Visits
Home Health Aide	995 Visits	17 Visits
Homemaker	588 Hours	588 Hours
Office Visits	0 Visits	0 Visits
Health Promotion Clinics	12 Clinics	12 Clinics

Total Unduplicated Residents Served: 84

Regularly scheduled wellness clinics, child health clinics, prenatal and hospice care are also available to residents. Town funding partially supports these services.

## FINANCIAL REPORT

The actual cost of all services provided in 1993 with all funding sources is projected to be \$102,420.71.

The total cost of services provided for a partial fee, or at no charge to residents in 1993 is projected to be \$4,895.22 for home care.

For 1994, we recommend an appropriation of \$7,500.00 to continue home care services at the current level.

Thank you for your consideration.

WILTON RECYCLING CENTER  
1993 - REPORT

Anyone who read a newspaper back in 1979 could not help but realize the seriousness of the solid waste crisis this country was facing. As the Wilton Recycling Center starts its 14th year, the six communities who have participated in what was considered a pioneer effort in solving part of the waste disposal problem, should be proud of the fact that they were able to divert a significant amount of what was once considered trash back into something useful as well as savings to the environment, energy and landfill space.

In 1993 even with the stagnant markets for recyclables we were able to increase revenues to about 10% of our operating cost and hopefully this will carry over into 1994. The household hazardous waste day was a success; though the disposal cost for this type of waste has increased considerably, very few people were refused. Again we would like to thank the people from Wilton, Lyndeborough, Mason, Temple, Greenville, and Greenfield for their help in making 1993 at the recycling center another success.

Respectfully submitted,

A. Carl Wetherbee, Supervisor

## WILTON RECYCLING CENTER

Each Municipality must have a recycling program or be a member of a recycling program. The Town of Greenville is a member of the Wilton Recycling Center (WRC). The towns of Wilton, Greenfield, Lyndeborough, Temple, and Mason are also members of the WRC. Residents of member towns are encouraged to recycle and are admitted to the center with a window sticker which is available from the Selectmen's office.

The WRC is managed by the Town of Wilton's Board of Selectmen. Policy decisions and budgets are made by majority vote of the WRC Committee. Each town has a vote which can only be exercised if that town is represented at the monthly WRC Committee meeting where such votes take place. No absentee votes are allowed. Greenville is represented at the WRC meetings by Ted de Winter.

The annual operating budget is divided among the member towns by population. For 1993 the total population in the WRC member towns was 10,600, of which Greenville accounted for 2202. Greenville's share of the budget was 20.77%. The WRC budget for 1994 was approved at \$285,629. This includes the effect of income from recycling which is estimated at \$20,000 for this year. Last year the income from recycled materials was \$26,365.

The Town of Greenfield last year submitted a letter stating that it was considering withdrawing from the WRC. Greenfield has since requested that it be permitted to renew its contract for one year rather than the customary five years. The original contract is being reviewed to determine whether this is a legal option. If Greenfield does withdraw, it would no longer contribute to the operating expenses but would still be liable for its share of the long term debt. In that case, the cost of operating the center might be reduced slightly. The percentage share of the budget for the remaining towns would increase. It is expected that Greenfield's withdrawal would result in an increase to Greenville's share of the WRC annual budget.

## WILTON RECYCLING REPORT (Continued)

If Greenfield's share of the current operating budget were divided among the five remaining towns, Greenville's share would increase by approximately \$8,900.

The income from recycled materials could be increased substantially if more families used the WRC. Greenville residents are encouraged to obtain a WRC window sticker free of charge and make regular use of the Wilton Recycling Center. The increased use would reduce the cost of Greenville's membership in the WRC.
